(Candidate's statement should not exceed 150 words. It will be posted on the UCML website.)

I am currently responsible for coordinating our internal English language testing, and also teach and lead modules on our Pre-sessional EAP and International Foundation Year programmes, having previously spent over 25 years teaching general English and ESP.

I have given several presentations and led workshops at international conferences, am a member of an international ESOL examiner panel and have also been part of a team evaluating new ELT resources.

As both a languages graduate and EAP/EFL professional, I firmly believe that continuing to strengthen links between ELT and MFL by sharing good practice and lessons learned will significantly benefit all stakeholder groups within our increasingly multicultural academic communities.

If elected I aim to ensure the interests of those involved in ELT are fully represented at UCML. Above all, I hope to raise the profile of ELT professionals working in HEIs, by demonstrating the contribution we can make to the ongoing languages debate.
