Item 10d: Hispanic Studies

(i) Very few colleagues in UK Hispanism have responded to my request for views, opinions, issues, for understandable reasons.

(ii) Response to COVID-19:
   a. Increasing pressure to put material online, and significant differences in approach to end-of-year assessments across the sector.
   b. Principal events that have been cancelled: annual conferences of AHGBI (Association of Hispanists of Great Britain and Ireland); Society for Latin American Studies.
